(2) The movement is consistent with the specific conditions contained in the permit.

(b) The Deputy Administrator will issue a written permit for the movement of a noxious weed into or through

the United States, or interstate, if application is made for such movement and if the Deputy Administrator determines that such movement, under conditions specified in the permit, would not involve a danger of dissemination of the noxious weed in the United States, or interstate; otherwise such a permit will not be issued.

(c) All such permits issued shall contain in written form in the permit any conditions (other than those conditions specified in this part) under which the permit is to be granted, e.g. conditions with respect to shipment, storage, and destruction.

(d) If the permit is denied, the applicant shall be furnished the reasons therefor.
